Building Your "Pathway to CCAP"

What is involved in Building Your "Pathway to CCAP"?

Since everyone chooses the process at different stages and at unique levels of experience, the CCAP Candidate’s Pathway will not be ready to enroll.

Building a "Pathway to CCAP" is important for everyone who wants to be enrolled so that you can have a successful experience.

Building a Pathway to CCAP is specifically designed for registering at least five (5) credit hours of courses that demonstrate your interest in Community Action.

Not everyone interested in becoming a CCAP Candidate has sufficient Community Action background.
