Looking to the "North Star"

In the early 1960's though Community Action was born amidst various social tensions, we learned to look towards the "North Star" as we sought the path of opportunity and stability for our families and communities who were being held captive by poverty.

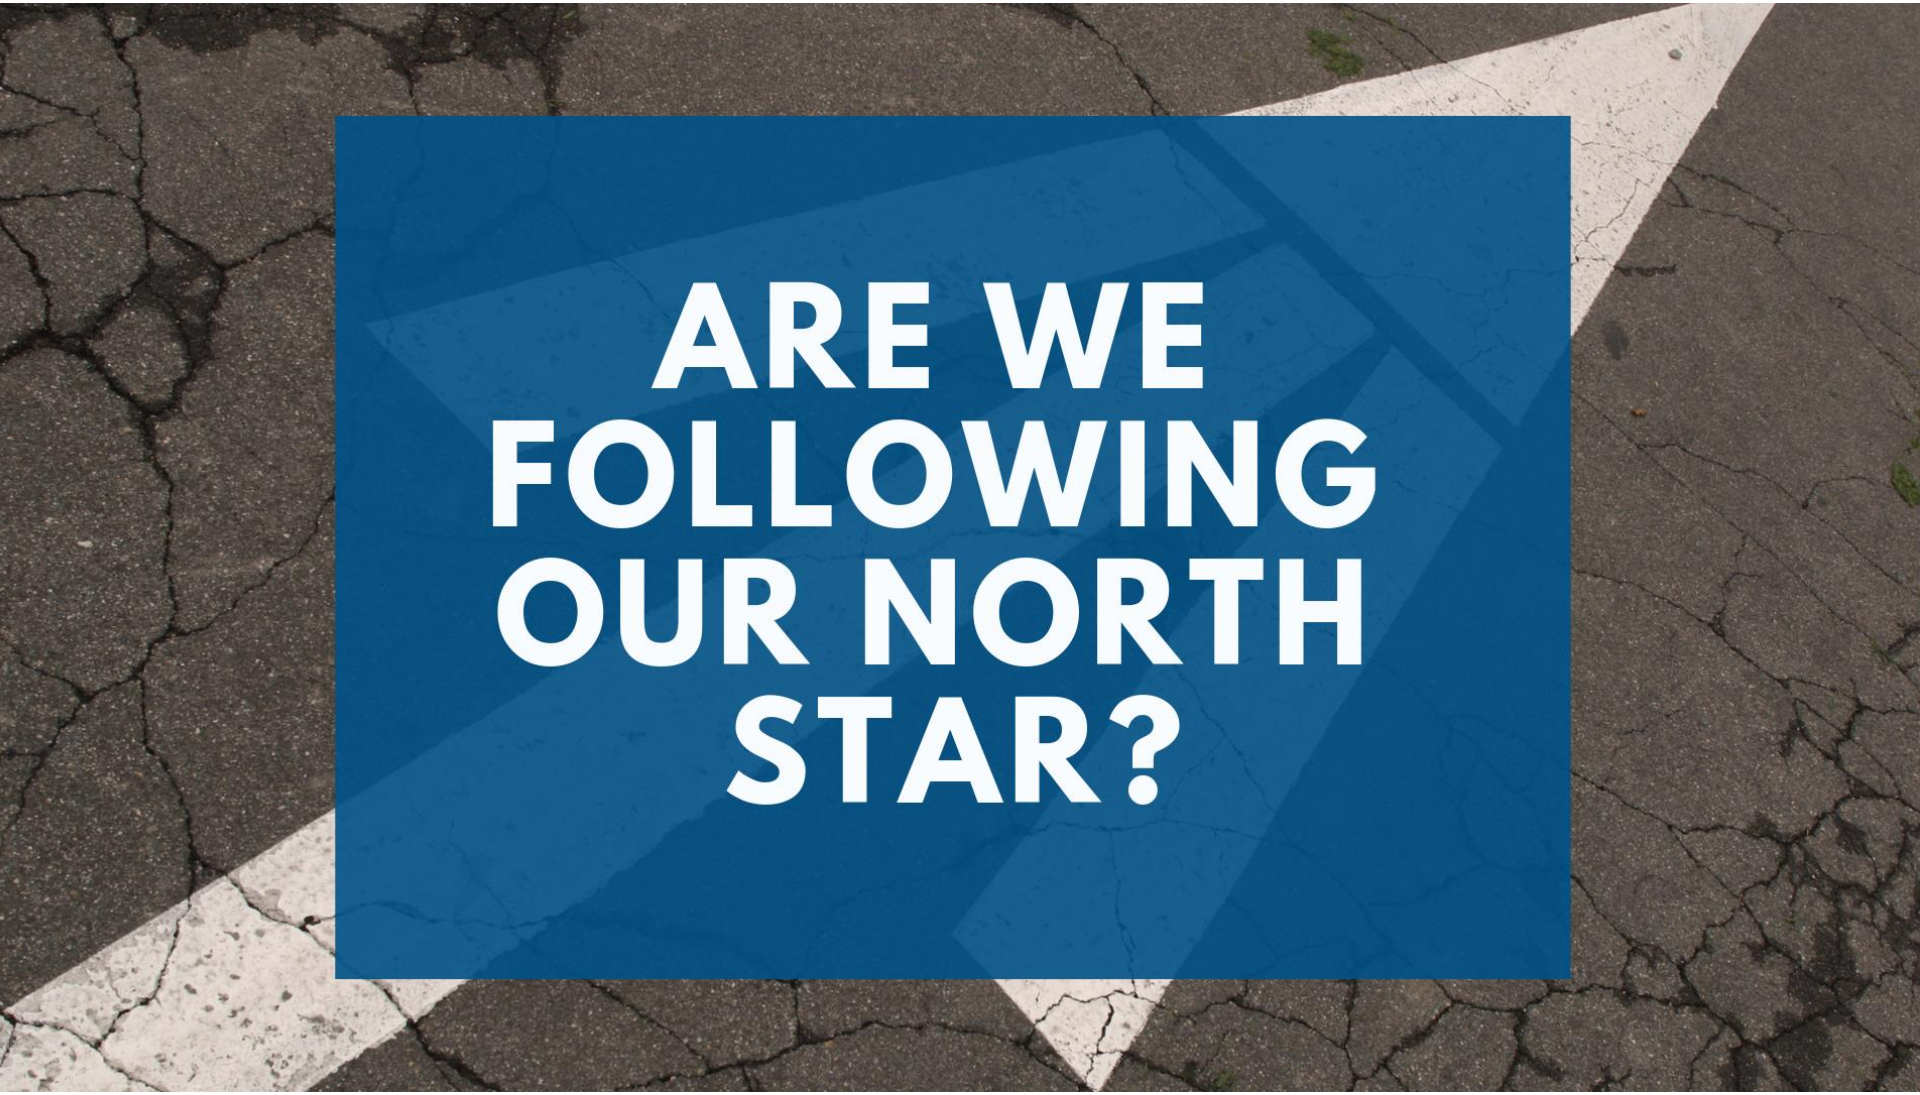

Collectively the Network will continue to look in the right direction towards the path of opportunity a thriving reality for EVERYONE in our communities.

Value Statements

We believe all people should be treated with dignity and respect and recognize that structural race, gender, and other inequities remain barriers that must be addressed.

We believe that this nation has the capacity and moral obligation to ensure that no one is forced to endure the hardships of poverty.

We believe that with hope, adequate resources and opportunities, everyone can reach their fullest potential, and we are committed to achieving that vision.

We pledge ourselves to creating an environment that pursues innovation and excellence through multi-sector partnership and collaboration.

Equity • Respect • Commitment • Excellence • Hope
Community • Caring • Innovation • Opportunity
