Letter of Commitment

We the _______________________________ (Name of Organization) understand that we have been selected to participate in the Regional Whole Family Approach Community of Practice.

As a participatory organization of the national project, we agree to do the following:

- Actively participate in the COP, including attending monthly virtual meetings, peer sharing and learning, technical assistance and coaching.
- Attend a minimum of 3 in-person Whole Family Approach Convenings, as milestones in the learning experience.
- Ensure key team members are engaged in the project and attend the October 2020 in-person convening.
- Create a Whole Family Approach Design Plan that includes a theory of change and logic model for sustaining continued growth after the program is completed.
- Participate in data collection elements of the project.
- Participate in evaluation efforts of the initiative.
- Establish outcome frameworks for parents, children and families and build the organizational capacity to track these results.
- Develop and pursue an implementation plan that outlines staff training, organizational structure, and sustainability resources needed to shift to a whole family approach.
- Share lessons learned and transformation stories throughout the engagement process through potential participation in webinars and workshop presentations, as well as written publications.
- Inform CAP of any issues/challenges that may impact your organization’s ability to participate fully in the Community of Practice during the project.
- Inform CAP if you are unable to participate in the Regional Whole Family Approach Community of Practice.

As the Chief Executive Officer/Executive Director for our organization, I sign this non-binding agreement in good faith as a committed participant of the Regional Whole Family Approach Community of Practice.
