

**THE CENSUS**

**IMPACTS**

**YOU & YOUR  
COMMUNITY**

**COMPLETE THE 2020 CENSUS**

# THE 2020 CENSUS

**CALL THE CENSUS HOTLINE:  
844-330-2020**

The United States Census is **safe, fast, and important**. It counts every person living in our country, regardless of citizenship status, to determine the level of funding each community receives.

The Census **impacts your community by determining funding** for transportation, health centers, education, childcare, LIHEAP, SNAP, and more.

**To get the funding your community deserves, EVERYONE MUST BE COUNTED!**

You can complete the Census **by phone, online, or by mail** (Census forms cannot be sent to P.O. Boxes).

- *If you do not have internet or have a P.O. Box as your mailing address, we recommend that you **complete the Census by phone. Other languages are available!***

**Complete the Census Today!**
