## Support your Community

### COMPLETE THE CENSUS

Make sure you are counted in the census every 10 years. The number of people counted determines how much funding and political representation your community receives.

### VOTE

There is power in numbers. Cast your vote in local, state, and federal elections so you are represented at every level of government.

Register at [vote.gov](https://www.vote.gov)

### ADVOCATE

Speak out against injustice. Talk to your representatives. Demand change.
