

# PROPERTY TAX-AIDE

High Tech + High Touch = **Community Empowerment**

## DID YOU KNOW

9.3 million low-income homeowners 55 and older are potentially eligible for property tax relief programs but either do not know these programs exist or don't apply for the relief they might provide.\*

**Property Tax-Aide (PTA)** is a program that works with community-based organizations nationwide to provide a free best-in-class fintech tool—the Property Tax-Aide Digital Platform—to empower older adults to gain access to millions of dollars in property tax relief.
