Our Story

We were founded in 1885.

We are a private, nonprofit institution, accredited by the New England Commission of Higher Education.

We are guided by our Humanics philosophy of educating students in spirit, mind, and body for leadership in service to others.

We’re known as the Birthplace of Basketball thanks to James Naismith.

Programs That Work for You

1. Program designed for the working professional/busy adult
2. Right-sized classes that promote open discussion and collaboration
3. Reasonable, affordable tuition
4. Term duration is 15 weeks
5. Flexible scheduling
    - Hybrid Evening Courses
        - These classes take place Tuesday and Thursday evenings (typically twice per month) and feature additional online coursework.
    - Hybrid Weekend Courses
        - These classes take place Saturdays and Sundays (typically twice per month) and feature additional online coursework.
    - Fully Online Courses
        - Courses are asynchronous, meaning the student can participate or engage in the learning process on their own time when and wherever they can connect to the internet.

Business Management

BACHELOR OF SCIENCE

The bachelor of science in business management degree prepares you to lead by providing both the foundational knowledge across a wide range of business environments, as well as the practical skills you will need to strategically manage an organization.

i. Core Curriculum (40 credits)
ii. Major Requirements (48 credits)
iii. Additional Requirements (9 credits)
iv. Electives (to complete the required 120 credit minimum)

Criminal Justice

BACHELOR OF SCIENCE

In the bachelor of science in criminal justice degree program you will examine critical questions about the legal process, review the psychology behind why individuals commit crimes, and discuss how governments should balance individual rights and public safety.

i. Core Curriculum (40 credits)
ii. Major Requirements (39 credits)
iii. Electives (to complete the required 120 credit minimum)

Criminal Justice/ Human Services

BACHELOR OF SCIENCE

In the bachelor of science in criminal justice/human services degree program you will advocate for meaningful change within the criminal justice system and embrace collaborative efforts between communities and agencies.

i. Major Requirements (51 credits)
ii. Electives (to complete the required 120 credit minimum)

Human Services

BACHELOR OF SCIENCE

WITH OPTIONAL CONCENTRATIONS IN ADDICTION STUDIES AND EARLY CHILDHOOD EDUCATION

The bachelor of science in human services degree enables you to build leadership skills to serve the community, develop critical thinking and social analysis skills, and learn about the history and future of human services, as well as integrate theory and practice in your classroom, workplace, and community.

i. Core Curriculum (40 credits)
ii. Program Required Curriculum (36 credits)
iii. Electives (to complete the required 120 credit minimum)
iv. If you choose to add a concentration in early childhood education or addiction studies, there will be required courses for that specific concentration and the credits will vary.

Recreation Management

BACHELOR OF SCIENCE WITH A CONCENTRATION IN COMMUNITY YOUTH DEVELOPMENT AND LEADERSHIP

The bachelor of science in recreation management degree, with a concentration in community youth development and leadership, allows professionals to improve health and wellness in individuals and communities, promote the protection of open space, and advocate for social equity and human connection to nature.

i. Core Curriculum (40 credits)
ii. Core Requirements (24 credits)
iii. Concentration Requirements (24 credits)
iv. Electives (to complete the required 120 credit minimum)

Credit for Work and Life Experience

Earn undergraduate college credit for what you already know. We value the experience which comes with many of your other work and life experiences, such as:

- Work experience
- Volunteer and community service/activities
- Military experience
- Independent reading and study
- Trainings and/or workshops
- Certifications
- Cultural and artistic pursuits
