

Pathways to Excellence Tiered Approach Price List

Effective November 1, 2023

Pathways to Excellence enables Community Action Agencies to explore and pursue the Standards of Excellence through four tiers. The tiers range from entry-level commitment all the way to seeking the Award for Excellence. This tiered approach is designed to permit entry by a CAA at any point in its excellence journey. Although recommended, there is no formal requirement to complete one level to access another. Fees for each tier are based on an agency's total revenue reported on its most recent 990. Agencies participating in Pathways to Excellence pay the associated fee for each tier in which they enroll.

Bronze Level: Commitment to Excellence

Fee Due at Enrollment
\$850
