Community Assessment
Data Walk Discussion Guide

Welcome! Soon you will be invited to participate in a data walk. Each poster will use data to tell a story about our community and the people who call this community home. As you explore each poster, consider the questions below. Feel free to take notes in the spaces provided. Our goal today is to decide which priorities that we as a community will address. We will hold additional community meetings to develop and implement the plan.

Housing
Housing & Homelessness, Housing Affordability

1. How are we doing?
2. Are different groups of people doing equally well?
3. What data stands out to you the most?
