60th Anniversary of Community Action Activities/Event Submissions to NCAP

Community Action, 60 Years Strong: Inspiring Hope and Advancing Opportunity

The 60th anniversary provides the Network with the opportunity to raise awareness of the contributions and achievements of Community Action while also reflecting on what we have learned from our six decades of work. CAAs and State Associations will be undertaking a wide variety of activities in 2024 and beyond as CAAs commemorate their individual agency anniversaries.

Don't Be Shy! Share Plans, Writings, and Photographs from Your Events with the Network

We will all benefit from agencies sharing their activities, tools, resources, and documentation with NCAP. Help us highlight the commemoration activities across the Network and elevate messages nationally.

As you are planning your activities—or once they have occurred—please take the time to submit a written record of your event(s) using this SurveyMonkey form. You can complete this form as many times as needed to document each of your events and activities.
