# Welcome & Purpose/Mission

- **Why We're Here Today**
- Today we will:
  - Introduce the **WAPPro Leadership Development Institute**
  - Share **who the program is designed for**
  - Walk through the **application process**
  - Explain **how applicants are evaluated**
  - Answer questions about **how to apply**

# Weatherization Mission

The primary mission of Weatherization is to **reduce the energy costs and utility bills for low-income households by making their homes more energy efficient, while simultaneously ensuring the health and safety of the residents.**

This "whole-house" approach focuses on improving the energy efficiency of a dwelling as a **complete system, not just individual components**, to save households money and help vulnerable populations like the elderly, disabled, and children.

# What is WAPPro?

## WAPPro Leadership Development Institute

A national leadership development program designed for professionals working in the **Weatherization Assistance Program network**.

Program features:

- **Cohort-based learning model**
- Participants from across the country
- **Leadership + program management focus**
- Real-world discussion and problem solving
- Peer learning and collaboration

# Program Structure

**How the Program Works**

**June – November**

**Program components:**

- **Monthly virtual learning sessions**
- Peer exchange and collaborative discussion
- Leadership development activities
- Pre-work and post-session reflection
- Expert guidance from program partners

**Approximately 4 hours per month**

# Who Should Apply

# Is This the Right Fit?

**Applicants should:**

- Be actively working in the Wx network
- Be able to commit **~4 hours/month**
- Have **supervisor support** for participation
- Be interested in leadership development and program improvement

# What Participants Gain

## Benefits of Participating in WAPPro

- Stronger leadership confidence
- A national professional network
- Practical tools and leadership frameworks
- Insight into Weatherization program management
- Long-term connection through the WAPPro alumni network

# Application Overview

## What the Application Includes

- Basic applicant information
- Professional background and role
- Short response questions
- Supervisor acknowledgement

**Application Deadline: April 30**

# How Applications Are Evaluated
