Chief Financial Officer

ANNUAL PAY
\$180,000.00 TO \$220,000.00

Position Summary

The Chief Financial Officer (CFO) oversees all aspects of the organization's financial management, ensuring compliance with federal, state, and local regulations while supporting strategic goals. This role leads budgeting, financial planning, reporting, treasury management, and internal audits, and provides key financial guidance to the CEO, executive team, and board of directors.

Requirements

- ✓ Bachelors Degree in Business Administration or related field is required, CPA certification is preferred
- ✓ Graduate degree in Business Administration or related field and/or CPA/CMA designation considered.
- ✓ Ten (10) years of management experience in a senior financial role.
- ✓ Five (5) years supervisory experience with conflict resolution and performance management.
- ✓ Four (4) years in supervisory experience in a for-profit enterprise or a CPA firm preferred.
